PRINCIPAL'S MESSAGE

I would like to welcome back all returning staff and students, and a special welcome to all new students to our school. I hope you all had a restful and relaxing summer, and are ready for an exciting school year.

Everyone currently on staff is eager to greet students and prepared for a fresh start. You are cordially invited to come to our Meet and Greet evening on Wednesday, September 9th @ 6:30, to meet East Elementary staff and other members of our school community. We will have a general meeting of our East Elementary School Advisory Council @ 7:00 in the staff lounge following the Meet and Greet. All parents are welcome to attend.

The principal's message every September remains essentially the same, but bears repeating. Respect is the cornerstone to our school's success, and each one of us has a responsibility to emulate this value. I firmly believe respect is the foundation to any successful relationship, including the relationships forged between students, parents and teachers within our school. Though disagreements are inevitable in any relationship, mutual respect goes a long way to eliminating conflict, and is essential to resolving problems. Our school will continue to thrive if we model respectful behaviors at all times to everyone.

If you have any questions or concerns, I encourage you to contact your child's teacher or myself. We would be most pleased to address your concerns. Wishing all of us a successful school year, I remain,

Luc Lavigne
